About Us

When running a business, challenges are inevitable but the company that faces them effortlessly and aims to grow by overcoming those challenges is the one that attains a steady growth. For this reason, we, Yash Industries, spare no effort in facing and overcoming our business challenges, be it in terms of manufacturing or supplying of our products. Swaged Tubular Pole, Garden Lighting Pole, Outdoor LED Light, Outdoor LED High Bay Light, Street Light Poles and Octagonal Pole are to name a few. Growing at other business aspects like finances, R&D and marketing is also important to us. As a result, we keep a close eye to every minute detail and come up with the best results in the form of products and customer support services.

Product quality is of paramount importance to us. This is why we leave no stone unturned to maintain high quality standards of not only our products but rendering an amazing shopping experience to our clients.
