About Us

Quality, price, and innovation are the most crucial factors for the success of a company. Offering premium quality, innovative and competitively priced products have been the motto at Pushpa International since its establishment in the year 1999. Facing the challenges of today's highly competitive market in the furniture and gift items sectors, the company has emerged as a leader. We are a manufacturer, exporter and supplier of metal furniture, wooden gift articles, gift items, wooden furniture, antique wooden furniture, wooden figures, wooden animal figures, antique wooden furniture, designer wooden, etc. Manufactured using superior quality of raw materials, our furniture and gift items are durable, reliable, ensuring real value for money. We also customize our products as per the given specifications provided by the clients.

Pushpa International is a 1999-established and India-based company that deals in handicraft gifts, antique furniture, metal handicrafts, and many other products. Since 1998, our company is manufacturing and supplying the same products in the domestic markets. Besides, our produced products are also exported to different countries. All these operations seem smooth and effortless because our hired professionals work dedicatedly and continuously to make Pushpa International a worldwide brand of antique, wooden, and metal furniture, handicrafts, and related products. Moreover, we never set a maximum order limit on products because we are here only to fulfill the customer demands in all seasons and at all times.
