About Us

Founded in the year 2013, we, **GNR Enterprises**, are one of the reliable **manufacturers** and **suppliers** of products like **Industrial Biogas Plant, FRP Portable Toilet, Biogas Plants, DRDO Bio Digester**, etc. The designing and manufacturing procedure of our creations are carried out under the surveillance of certified professionals who ensure optimal quality. It is due to the assistance of our modern wing, business partners, logistics personnel, and an in-house team that we have always been successful in accomplishing the projects on assured time. Our team of research and development personnel, keeps on searching innovative ideas and designs. Our excellence in every aspect has enabled us attain a respectable position in the market. The past records of our enterprise are impressive which constitutes one of the important reasons behind our increasing customer base.

Quality Comes First

To gain a reputed position in the market is not at all an easy task as it requires lot of efforts from the side of manufacturing companies. Valuing the time and money of our customers, we make sure that only best quality Organic Waste Converter, FRP Portable Toilet, PUF Toilet Cabin, Mobile Toilet Van, Kitchen Food Waste Composter, Urinal Bio Block, etc. are offered to them at the best prices. The components and raw inputs which use in the creation of our offerings are sourced from the reliable vendors of the market. In addition, we use cost-effective mode of production that also aids us in the prompt accomplishment of task with perfection.

Core Values

Every company follows a set of certain core values in their businesses according to which they perform their functions. Similarly, some of the core values which we are following in our business and helping us in the expansion are as follows:

- ✿ **Sincerity & honesty**- Everyone loves to work with sincere and honest business partners who are committed towards their work. Our company also maintains both of these values while performing the tasks.
- ✿ **Professionalism**- One can easily see high level of professionalism in our functions right from the production of goods, interaction with the clients till ensuring on-time delivery of the orders.
- ✿ **Teamwork**- Here at our company, we promote team work thus, keep conducting team building activities & programs which makes our team stronger and synchronized.
