About Us

Macpower CNC Machines Limited is a leading manufacturer and supplier of advanced CNC machinery, delivering high-performance solutions designed to meet modern industrial requirements. Established with a vision to provide precision-driven technology, we have consistently evolved to support a wide spectrum of industries. Our dedication to engineering quality and client satisfaction has enabled us to build strong and lasting business associations. We specialize in manufacturing and supplying a comprehensive range of CNC machines including Pro CNC Machine, Nx CNC Machine, Mono CNC Machine, Servo CNC Machine and Jumbo VMC Machine. Each machine is developed using advanced technology and produced under strict quality standards to ensure reliability, efficiency, and long service life. Our offerings are designed to improve productivity while maintaining consistent accuracy in operations.

Located in Rajkot, Gujarat, India, our facility is equipped with modern machinery and well-organized production systems. Our team of skilled professionals focuses on continuous improvement and innovation in every stage of manufacturing. We follow a structured process that prioritizes quality checks, ensuring every product aligns with industry requirements and delivers dependable performance.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	cnc grinder,drill tap center,turn mill center,twin spindle,cnc vtl machine,cnc turning centre,hmc fixture,vmc machine,cnc vertical machining center,cnc machining center
No of Staff	1000
Year of Establishment	2003
OEM Service Provided	No
ProductRange	cnc grinder,drill tap center,turn mill center,twin spindle,cnc vtl machine,cnc turning centre,hmc fixture,vmc machine,cnc vertical machining center,cnc machining center

Our Products

MX 165 CNC Machine

NX 40 CNC Machine

PRO 100 T CNC Machine

NX 20 MONO CNC Machine

PRO 100 CNC Machine

PRO 200 T CNC Machine

NX 30 SUPER CNC Machine

LX 1500 CNC Turning Center

NX 30 CNC Machine

PRO 200 CNC Machine

LX 2000 SUPER CNC Turning Center

LX 2000 CNC Turning Center

NX 50 PLUS CNC Machine

NX 10 CNC Machine

NX 50 CNC Machine

NX 40 SUPER CNC Machine

ADDRESS

Plot No. 2234, Metoda Gidc, Near
Kranti Gate, Rajkot, Gujarat,
India (360021).
