

Model: DIP 905
 Automatic Dip-soldering Machine

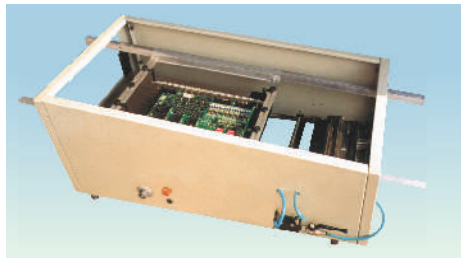

FEATURES & SPECIFICATIONS :

- Digital Temperature Controller for Solder bath
- Electronic Timer for setting dwell (solder) time
- Easy mechanical adjustments for depth setting
- Versatile PCB Carrier for fixing multiple PCB's

Bath Size	14" x 14"	18" x 14"
Solder Capacity	35 Kg	45 Kg
Power Supply	220 V AC, 50Hz	220 V AC, 50Hz
Heater Power	3.2 KW	4.0 KW
Heat up Time	35 min	35 min
Bath Depth	50mm	50mm
Dimensions	690 x 460 x 360 mm	790 x 460 x 360 mm
Weight (without solder)	45 Kg.	50 Kg.
Standard Accessories	PCB Carrier-1 no	PCB Carrier-1 no
	Scrapper 1 no	Scrapper 1 no
	L/N Key Kit-1 no	L/N Key Kit-1 no

Model: FFP 915
 Foam Fluxer with Pre-heater

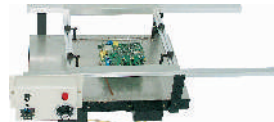

FEATURES & SPECIFICATIONS :

- For fluxing and Pre heating PCB's before soldering
- Carrier supplied compatible with Model DIP 905
- Manual carrier movement on conveyor rails
- Digital Temperature controller for pre-heater

General	Dimensions in mm	L-775 W-525 H-375
	Weight	20 Kg
Flux Bath & Air Knife	Flux Bath Capacity	4.0 ltrs
	Foam Width	14"
	Foam Height	10mm
	Air Consumption	40 cfm at 30psi
Pre-Heater	Power Supply	220 V AC, 50 Hz, 1.6 KW
Standard Accessories	PCB Carrier	1 No
Utilities	Power Connection	15 Amp Power Point
	Air Supply	Compressed Air with FR

Model: PRE 350
 Pre-heater Unit

Model: SS 901-LF
 Digital Display Lead Free Soldering Station

Model: SS 603D-LF
 Digital Display SMD Rework Station

Model: SS 909D
 Digital Display Soldering & De-soldering Station

Model: SS 809D
 Multifunction Rework Station

Model: CPI 400

Motorised Free Flow Manual Insertion Conveyor
 PCB Size : 50 mm to 350mm.
 Length as per requirement

Model: Modular

Motorised Free Flow Manual Insertion Conveyor
 PCB Size : 50 mm to 350mm.
 Length in modules of 2.5 M (Inter Connectable)

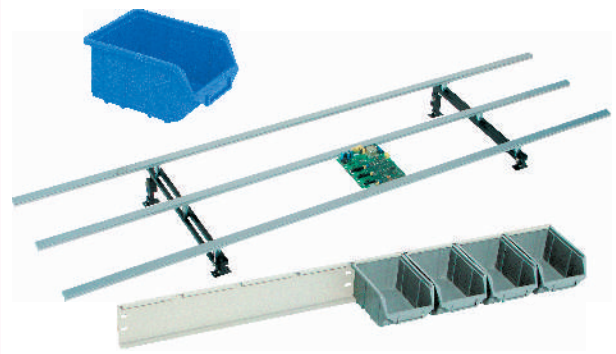

Model: MPI 350

Insertion Work Station with Manual Free Flow
 Conveyor and Bin Holding Fixture

Model: FMC 350

Table Top Manual Free Flow Insertion Conveyor;
Model: CSS 08 Bin Holding Fixture

Belt Conveyor- With Double Sided Working Platform for Post Solder Application

Model: PAJ 450

PCB Assembly Jig
 PCB Size 400mm x 300mm
