Company Profile

Since the last 50 years, Ajanta Polymers is a leading manufacturing Flushing Cistern bathroom Fitting, Kitchen Sink, Toilet Seat Cover & Bath Accessories . We are providing BIS Certified high quality product to customers in India.

When it comes to Flushing Cistern, toilet seat cover and kitchen sink we're the experts., Each of the collection is ergonomically designed using high quality material and exceptional functionality. You can find our products in bathrooms and washrooms at hospitals, leisure centres, hotels, schools, housing society and colleges across the India.

An extensive product portfolio that includes high end showers, sanitaryware and faucets, has made Ajanta the primary choice of customers looking for stylish products in a contemporary lifestyle. Ajanta's constant innovations have given several path breaking contributions to the industry. Some of its innovations have become benchmarks for the industry.

Advanced technology has been the forte of Ajanta. Its state-of-the-art manufacturing plant has been following the highest standards of quality with an emphasis on sustainability since its inception in 1965.

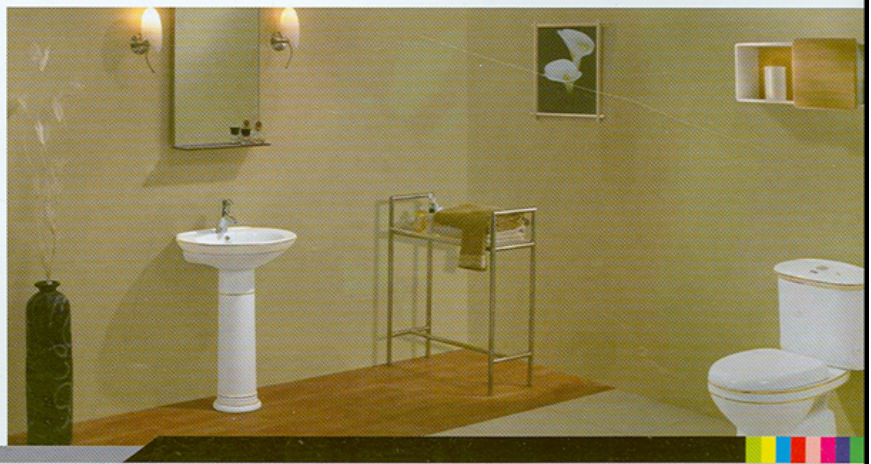

Ajanta offers a range for every need and budget. It is available through a wide dealer network in India. Ajanta brings to you a truly 'feel good' collection. Feel one with our products - ENJOY!

## Vision

Our company vision is: To be the India's biggest and best Toilet Cistern, Toilet Seat Cover & Accessories brand.

## Mission

We believe that we can achieve this vision by having a clear purpose and a mission statement that guides everything that we do. This is: "To deliver desirable, value for money products and an extraordinary customer experience based on a true understanding of our customer's needs."

Every product we offer is created and produced around four guiding values:

### *Design*

Our products range from traditional mixers, shower valves and accessories to contemporary designs including waterfall style spouts and handle options in different colours and materials.

### *Innovation*

We have a team dedicated to developing product ranges tailored to specific requirements - be these driven by our customers or our desire to create products that work to minimise environmental damage.

### *Service*

We pride ourselves in delivering outstanding customer service throughout the entire buying process, from initial query, through delivery, point of sale displays and after care.

### *Quality*

All our products are passed through strict quality assurance processes helping to ensure our range offers unrivalled value.

### *Values*

Ajanta Polymers culture is built on five values; Straightforward, Helpful, Innovation, No Limits to Customer Service and Empower and Engage-or SHINE. These values remind us of our strengths as an organisation. They also influence everything we do and every decision we make and ensure that we remain focused on delivering an extraordinary customer experience.

### *Products*

We offer a variety of ranges for the following products:

- Bathroom Faucet
- Kitchen Faucet
- Showers
- Shower Accessories
- Kitchen Sink
- Flushing Cistern
- Toilet Seat Cover
- Bathroom Accessories
- Water saving products
