## Ease use of connectors for various industries

- Solar Technology
- Assembly Technology
- Wind Energy Systems

## Technical information

- Material used steel zinc-plated, stainless steel
- Connectors suitable for 8mm slots
- Thread M4 to M8
- Tailor made As per Customer Requirement

# Customers and Industries

1. Automotive
2. Pump Manufacturing Industries
3. Motor Manufacturing Industries
4. Machine Tool Builders
5. Electrical Appliances
6. Material Handling Equipment
7. Crane and Hoists
8. Earth moving Equipment
9. Retail Hardware Shops
10. Gear Box manufacturers
11. Windmills
12. Bakery Equipment Manufacturer
13. General Machinery Maintenance
14. Hand Tools Manufacturer
15. General Machine Builders
16. Packaging Machineries
17. Agri Machinery manufacturing Industries
18. Tractor Manufacturer

Quality supply for your business

# Quality Certifications

We are Certified for Quality System Compliance in accordance with

**IATF 16494:2016**

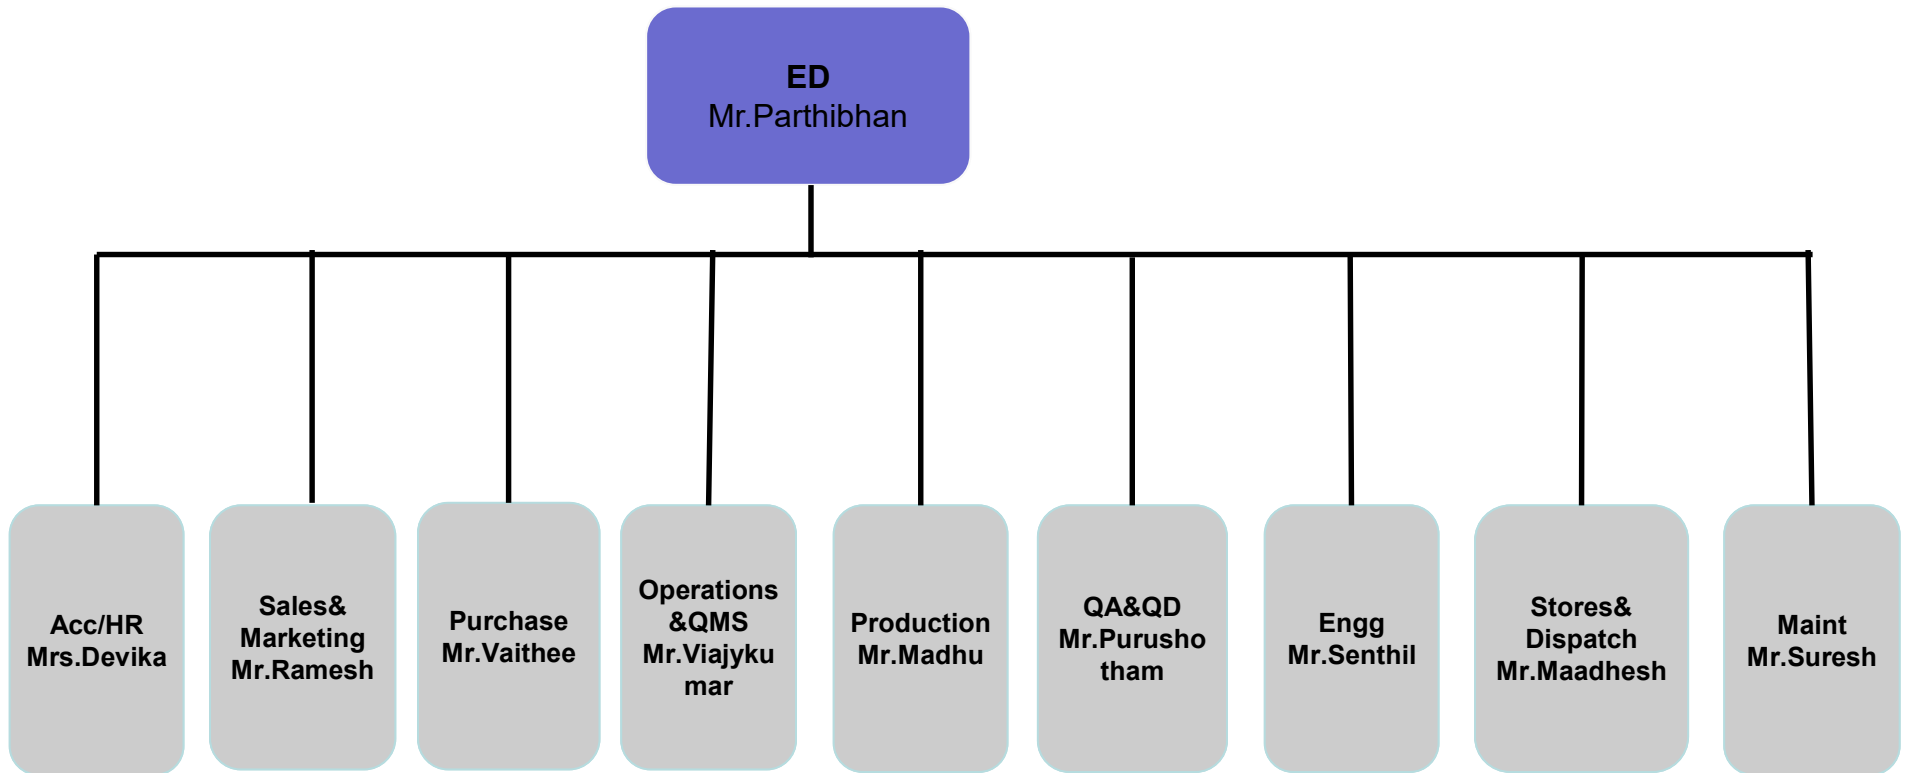

Maintaining “0” PPM for 15 Years !

# OPERATIONAL CAPABILITIES

Machines						
	SLIDING HEAD MACHINE	CNC	VMC	SPM Radius Milling & Double Disc Grinding	TRAUB	OTHERS
Operation	 Turning	 Turning	 Milling	 Milling & Double side Grinding	 Turning	 Grinding, Drilling
C & C	Million PA / Max	•5 Million PA / Max – 400 mm •Length – 600 mm	Million PA / Table size - 400x500	Million PA / Zero Splatter Welding	10 Million PA / Max 63 mm	350 Million PA

# ORGANIZATION CHART:

# Facility Profile

## Overview

- Entire area 4834m<sup>2</sup>
- Built area 3302m<sup>2</sup> (current)
- Two production halls
- One office building

## Location

Veerasandra Industrial Area  
Electronic City Phase 2  
E-City, Hosur Road  
Karnataka, 560100 Bangalore

# DENO STRENGTHS:

## **Our Services for Relentless Customer Satisfaction**

- Operations managed by ERP System
- Quick turn around for Orders
- Quick Sample developments
- JIT, KANBAN & Stocking programs
- 45,000 Square feet facility for future expansions
- German Manufacturing Process (Being a german company)
- Precision Component manufactureres
- Adaptive working as per Customer Systems

## SUPPLY MODELS:

- JIT
- KANBAN
- Stocking program based on blanket orders
- Customized programs

99% delivery on time

“0 PPM“ Quality for 15 years and “0“ Customer Complaint for 15 years.
