## About Us

The whole task of interior decor and home furnishing is not deemed complete unless apt solutions for rugs, carpets, cushions, and other products are implemented. In line with this, we, Skylark Rugs India, offer the finest quality Hand Woven Jute Hemp Carpets, Decorative Jute Baskets, Printed Cotton Handloom Durries, Jute Handmade Bags, Decorative Cushions, Braided Jute Rectangle Rugs, and allied products. The product range is highly acclaimed for its far superior and comfortable material, smooth texture, and exceptional fabric quality making them simply the best options available in the market.

In the year 1975, the formal initiation of our business operations was done, spearheaded by the excellent leadership and guidance of our mentor. Under his guidance, we have become a noteworthy manufacturer and supplier of the aforementioned products. These are worked upon by skilled craftsmen and designers, whose expertise is perfectly reflected in their superior quality standards of our range.

When it comes to home textiles & furnishings, the two most desirable traits linked to them are unique aesthetics and a quality that lasts for a longer period of time. At Skylark Rugs India, we make sure that every single unit leaving our premises boasts of the aforementioned characteristics and more and turns out to be flawless in terms of build and longevity. To accomplish setting such high standards that have become a hallmark of our products, we follow a stringent quality policy and have taken certain measures.
