## About Us

What is high quality to you? Is it the perfect design accuracy, durability or the robustness of a product. Whatever it may be, we, Tarun Engineering Works, promise to understand it and cater to you with the best that is desired continuously. With this goal in our mind, we have been working since our incorporation day. Our goal as a manufacturer and supplier is to grow even more in the domestic market in the future.

Never compromising on the design and dimensional perfection of our industrial array, we have become the number one choice of our clients. We are famous for the customization services that we render. All of our offered Furniture Level Adjusters, Wheel Casters, Key Holes, End Caps, Wheel, Sheet Metal Components, Key Clips, etc. are custom made to match with the clients' diverse requirements. These offerings are acclaimed as the best choices in the market owing to their complete compliance with the industry standards and unrivaled quality. The affordable prices at which we make this assortment available has also boosted our name in the Indian market. We are also a manufacturer of Sheet Metal Products and Plastic Molded Components.
