About Us

Anubhav Commotrade Private Limited is a progress driven company, started with a vision to provide mobile phone accessories and gadgets to clients at affordable prices. Ranging from Data Cable to Universal Stereo Earphone, Wired Headphone to High Brass Earpods, Bluetooth Speaker to Selfie Sticks and more, our product gamut is expansive. Customer Service and quality have always remained at the core of our business philosophy, ever since we began our operations. Throughout the years, we have built strong and firm relationships with them built on honesty, quality, reliability and innovation. Our clients and their expectations are given prime importance and due attention in all business deals. No client is big or small for us, we have been associated with small retail shops as well as many leading businesses in the industry. Every commitment is fulfilled by us and we make all possible efforts to keep our clients content. This makes us the most trustable manufacturer and supplier for thousands of customers.

Anubhav Commotrade Private Limited is over a decade old company successfully manufacturing and supplying mobile phone accessories. Produced in house at our factory in Kolkata, West Bengal, Fast Charger, Smartphone Tempered Glass, Power Bank, Mirror Glass and more are assured to be in compliance with the highest industry standards. Every piece is minutely checked, prior to shipment, to make sure it is flawless and free from any mechanical or operational defects. Moreover, we price our products keeping in mind the market trends thereby helping consumers opt our products without thinking much.
