RESISTANCE TESTER**

## About Us

Adiradh Energy Pvt Ltd is known in the market as a reliable supplier and trader of electrical products, including Electrical Test And Measuring Instrument, Capacitance And Tan Delta Test Set, Cable Fault Location And High Voltage Test System, Three Phase Relay Test Kit, Electrical Safety And Transmission Line Test, and more. Our products go through a series of quality assurance tests to make sure that our clients get the best. They are available in the market at market leading costs.

Adiradh Energy Pvt Ltd, a well-known supplier and trader of a superb selection of testing equipment, was incorporated in 2019, in Hyderabad, Telangana, India. Compact Thermal Cameras, Insulation Resistance Tester, Partial Discharge, Torkel Battery Load Unit, Sound Level Meters, and more are among the goods that are offered. Our vendors employ premium materials and experienced supervision during the design and assembly of these testing equipment ranges. In addition, these goods are valued for their excellent quality, robust design, great performance, low maintenance, and ease of use.
