About Us

Welcome to A.S. Enterprises- your go-to destination for buying branded cooling equipment, entertainment electronic devices, and a range of other consumer electronic products. We know that everyone deserves a comfortable sanctuary, and we help you build just that with our innovative range of TVs, air conditioners, refrigerators, and other products. We help people enhance their living spaces with our Samsung LED TVs, Voltas Air Conditioners, Whirlpool Microwave Ovens, Whirlpool Single Door Refrigerators, Air Purifiers, etc. Our products are of premium brands and are offered to cater to needs of clients with different lifestyles and budgets. Sleek design and optimum energy efficiency are the hallmarks of all our products, which makes them a rage across the Indian market.

As a trader and supplier, we bring forth an impressive line of products that embeds the most sophisticated features and delivers unbeatable service for years to come without requiring ongoing repair and maintenance. Although our products require minimal maintenance and upkeep, we give quick after-sales support to customers. This way, we ensure that they get maximum returns on our products and keep coming back to us looking for the best comfort and convenience.
