About Us

Globe Tex Industries, a recognized manufacturer, supplier, and exporter of Fabric Testing Equipment, Leather Testing Instruments, Safety Helmet Testing Equipment, Material Testing Equipment, Textile Testing Equipment, and Yarn Testing Equipment, among other products, was founded in 2000. Our company has 15 years of extensive experience in this field, including the textile processing business, exporting industry, spinning industry, research and development labs, multinational laboratories, and educational institutions. Our personnel undergoes rigorous quality control to ensure the range corresponds with international standards. Our large warehouse facility enables us to process and securely store our items. We are kept up to date on the latest technological trends by the R&D division. Due to our moral business practices and professional approach, we have amassed a sizable clientele. In accordance with their needs, we provide our customers with a great assortment of products. We have a team of skilled individuals working with us, which enables us to provide clients with top-notch products.

Our export locations include the UK, Bangladesh, Nepal, and Sri Lanka. We have achieved consistency in the delivery of high-quality instruments because of the mentoring and direction of Mr. RP Rawal. At every stage of the process, there are strict quality controls. He has been able to guide the company towards success thanks to his deep domain knowledge and motivating leadership abilities. In addition, it is superbly set up for production procedures and corrective action procedures.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	Helmet testing equipment,Leather testing equipment,Safety Shoe testing equipment,Fabric testing equipment,Textile quality testing equipment,Textile Testing Equipment
No of Staff	19
Year of Establishment	2002
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	as per requirment
ProductRange	Helmet testing equipment,Leather testing equipment,Safety Shoe testing equipment,Fabric testing equipment,Textile quality testing equipment,Textile Testing Equipment

Our Products

Digital Specific Gravity Tester

Button Snap Pull Tester

Textile Padding Mangle

DeMattia Flexing Fatigue Tester

Color Matching Cabinet

Yarn Twist Tester

Automatic Washing Fastness Tester

220 V Digital Bursting Strength Tester

400Ltr Environmental Test Chambers

Digital Muffle Furnace

Single Phase Digital Bursting Strength

Globe Tex Laboratory Perspirometer

Laboratory Corrosion Resistance Tester

High Temperature Muffle Furnace

High Voltage Tester

Tensile Strength Tester
