## About Us

The quality of any kind of apparel is measured with the quality of its fabric. The apparel manufacturing industry seeks for a quality of fabric, which can potentially exceed customers' expectations. By supporting & serving the industry with such quality, our company, Jawahar Enterprises has maintained its dignified position amongst the elite group of suppliers in the domain. We as a responsible manufacturer of a wide range of qualitative fabrics have maintained its easy availability in the market. Our offered product line ranges from School Uniform Fabrics, PC Fabrics, PC Fleece Fabrics to Plain Interlock Fabrics, Polyester Fabric Nirmal Jali and many more. Each item served by us has always received huge appreciation and praises for its superior quality attributes. The range of apparels manufactured using our offered fabrics is highly comfortable, skin friendly and attractive in appeal. By providing this high quality material to apparel manufacturers, local markets, etc., we have attained heights of success in the industry.

A highly reputed organization, Jawahar Enterprises has been serving the market with finest quality of Fabrics. From the city which is known for clothes & fabrics manufacturing, Ludhiana (Punjab, India), we have been efficiently fulfilling the demands of customers nationwide. Our company is blessed with all necessary facilities including human resources to infrastructural, which allows us to be highly prolific and resourceful for the customers. Initiated in the year 2001, we have been successfully serving the market with a range of School Uniform Fabrics, Plain Interlock Fabrics, PC Fabrics, Polyester Fabric Nirmal Jali and many other products. Over the years, our organization has earned worthy respect & success, which we seek to sustain in the industry.
