About Us

ASP Technoplast is a passionately growing company in terms of adopting the latest technology in the manufacturing of plastic sanitary and kitchenware products. Our company is counted among the most successful manufacturers and suppliers of high-quality and robustly constructed plastic parts. This company started their business in Ghaziabad City with a very small-scale production unit. Now this company looks forward to moving into national and international markets with a commitment to becoming a successful plastics industry.

In order to fulfil the requirements of several clients throughout the country, we have a wide, spacious infrastructure that is equipped with different departments such as production, quality inspection and packaging, and supply. At our manufacturing unit, we have an experienced team of engineers, trained workers, quality auditors, marketing managers, and supervisors who are devoted to supplying an extreme quality and flawless range of TORIVA Lunch Buddy Premier, Purple HDPE Dust Pan, Green HDPE Dust Pan, Stainless Steel Water Bottle, Plastic Mug, Plastic Stool, and more to our valuable clients at their pocket-friendly prices.
