About Us

Our Parshva Industries is an organization of complete integrity, loyalty and professionalism. Our sole purpose is to be the leading source of a wide range of home appliances in Indian market. For which, we are working responsibly as a manufacturer, trader and wholesaler. In our servicing of 8 years, we have never failed to meet the expectations of our respectful customers. And, always provided them with finest grade products that they actually seek for. Our product portfolio is filled with qualitative items such as Electrical Mixer Grinders, Hand Mixer Grinders, LED Flat TVs, LED Smart TVs, Gas Burners and many more.

We have been a customer deviated firm from the day of establishment. Our each step is taken with an intention to take the satisfactory experience of our honorable customers to new heights. We ensure the fulfilment of their every single requirement within stipulated time frame. And, serve them with advanced and latest products at prices that are advantageous for them as well as us. In our journey so far, we have gained huge recognition & acknowledgment in the industry. Our clientele has expanded and strengthened impressively. We have made ourselves financially stable to take healthy risks to keep rise & shine. Furthermore, we have achieved a level of growth today with which, we look forward to successfully running our business for long lasting time.
