Idovine 10% Antiseptic Solution

- Idovine, a leading brand of povidone iodine 10% solution, is manufactured by Sharing Formulations Pvt Ltd, a WHO GMP certified company.
- It offers a highly effective and reliable solution for skin disinfection, particularly in pre-operative settings, to prevent surgical site infections.
- With its superior formulation and concentration, Idovine ensures broad-spectrum antimicrobial action, providing an additional layer of protection against a wide range of pathogens.
- As a trusted brand in the healthcare industry, Idovine has established a reputation for its quality, safety, and consistent performance, meeting stringent international standards.
- By choosing Idovine from Sharing Formulations, healthcare professionals can confidently rely on a premium povidone iodine solution backed by the expertise and quality assurance of a WHO GMP certified company.
