Idovine 5%

Antiseptic Solution

- Idovine 5% is the brand name of PVP-I (povidone iodine) 5% solution manufactured by Sharing Formulations Pvt Ltd, a WHO GMP certified company.
- It is a versatile tool in wound care, offering broad-spectrum antimicrobial properties to target bacteria, fungi, and viruses commonly found in wounds.
- Idovine 5% is renowned for its excellent formulation, specifically tailored to provide exceptional wound care with its potent antimicrobial properties, biofilm disruption capabilities, and compatibility with various wound dressings, ensuring optimal healing outcomes.
- It effectively disrupts biofilms, which can hinder the wound healing process.
- Healthcare professionals can confidently rely on Idovine 5% for its compatibility with various wound dressings and the quality assurance of a WHO GMP certified company.

Available in 50ml to 5000ml pack size
