About Us

Shiv Packaging Industries was founded in 2011 in Pune, Maharashtra, India. We are one of the leading companies, providing an excellent range of packaging machines, box strapping machine, sealer machine and many other products. We have firmly footed in the industry as a reliable manufacturer and supplier of a wide range of products such as Banana Chips Packaging Machines, Automatic Grocery Packaging Machines, Automatic Spice Packaging Machines, Automatic Chikki Packaging Machines, etc.

In order to maintain the consistent quality of these machines, we use the best-grade metals for the fabrication of these machines. All of the machines in our collection are made in strict conformance with the highest quality standards and under the stern supervision of our mentor. This helps us gain the trust of our clients and retain them for long-term business. As a result, we are successful in catering to customers with the best range of products. We have a team of highly professional individuals, whose constant endeavours enable the company to achieve all its objectives. Moreover, from the procurement of materials to the final delivery of machines, we ensure that we comply with business ethics and industrial standards.
