About Us

HUTAIB TRADING, established in 2012, is an Indore, Madhya Pradesh-based business dealing in a wide range of industrial, hardware, construction and painting-related products. Our current product portfolio includes industrial abrasives, cutting wheels, grinding wheels, flap discs, fiber discs, diamond saw blades, diamond tools, TCT saw blades, drill bits, wire brushes, paint brushes, paint rollers, putty knives, hand tools, safety gloves, measuring tapes, thread sealing tapes and other construction and industrial consumables.

Our key product brand BUILDER Abrasives covers a broad range of abrasive and cutting products, including cutting wheels, grinding wheels, flap discs, fiber discs, diamond blades, wire brushes and related tools and accessories. Our 2026 product range also includes BUILDER TCT Saw Blades and TRANXUS TCT Saw Blades, along with products for woodworking, metalworking, construction, painting, fabrication, maintenance and workshop applications. HUTAIB TRADING focuses on providing quality products, competitive sourcing, reliable supply and responsive customer service, with an emphasis on building long-term B2B relationships. We serve requirements across hardware, construction, fabrication, painting, industrial maintenance and related professional applications.
