About Us

In this modern age, obtaining thick textured and durable Plastic Household Items is possible only from those establishments, which commit 100% to quality production. **Surya Plast** is one such company, which completely commits to production of longer serving, thick textured and smoothly finished plastic houseware items. We have our production house in Bawana Industrial Area for producing **Konark Plain Plastic Water Tub, Unbreakable Plastic Stool, Baby Plastic Chair, Printed Plastic Bathroom Bucket And Tub Set** and a host of other plastic household items in multiple sizes, designs and colors. Our plastic creations ease living and make fruitful addition to homes. Our products, matchless in quality, are developed with precision to render better results. As a progressive manufacturer, we make certain clients are provided with flawless products as per scheduled delivery.

Surya Plast is a name in the Indian Industry most trusted for obtaining finest Unbreakable Plastic Stool, Plastic Water Tub, 18 inch Plastic Tasla, Konark Print Plastic Water Tub, 20 Ltr Konark Plain Plastic Water Bucket, and other plastic essentials. These plastic household items symbolize strength that goes in manufacturing them by serving for a longer period of time. Unmatched features of our plastic houseware such as lightweight, durability, and more, impresses users. Attention to maintaining supremacy in plastic products is one of the main reasons for customers placing repeated orders to our company. We, from our setup in Bawana Industrial Area, Delhi (India), ensure smoothness and swiftness in delivery.
