## About Us

Established in the year 2009, we, Kings Industries, are among the reliable manufacturer and exporter of technologically advanced Effluent Treatment Plant, Industrial Evaporators, Industrial Effluent Treatment Plant, Waste Water Treatment Plants, Water Treatment Plants, Zero liquid discharge systems and many more. Widely used for various industrial purposes, our range is highly appreciated in the market for its low maintenance, excellent performance, sturdy construction, easy operation and high durability & strength. We fabricate it with finest grade of raw material, which we procure from well known vendors. The sizes and shape of our range varies as per its demand in the market. We offer both customize and standard solution on the product.

We, Kings Industries, are reckoned as a commendable Exporter and Manufacturer. With extensive industry know how and unparalleled expertise, we are offering world class range of Industrial Evaporators, Sewage Water Treatment Plant, Effluent Water Treatment Plant, and more. Each of the plant offered by us is designed and fabricated in compliance with the current trends of the market. Effective utilization of our infrastructural facilities in Coimbatore, Tamil Nadu (India), enable us to engineer excellent performing, sturdy and high stability products. We are using only finest grade materials for manufacturing our product range. Besides, we are also providing after sales service to fulfill exact needs of the patrons.

<b>Year of Establishment</b>	2009
<b>OEM Service Provided</b>	No

## Our Products

**High TDS Water Evaporators**

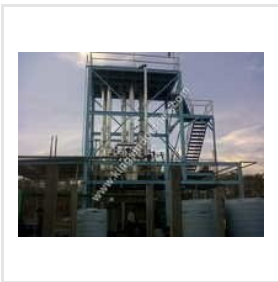

**Multi Effect Evaporators**

**Mechanical Evaporators**

**Mechanical Evaporator For Zero Liquid**

**MEE Wastewater Evaporators**

**Zero Effluent Discharge Evaporators**

**Industrial Evaporator**

**Chemical Wastewater Evaporators**

**Electro Coagulation Plant For ETP**

**Electro Coagulation Effluent Treatment**

**Electro Coagulation Sewage Treatment**

**Industrial Mechanical Evaporators**

**Laboratory Wastewater**

**Industrial Wastewater Evaporators**

**Mineral Water Plants**

**Industrial Water Treatment Plants**
