About Us

Uzhavan Enterprises presents a different variety of oils that are free from Paraffin and chemicals. Our collection includes Cold Pressed Almond Oil, Cold Pressed Mustard Oil, Cold Pressed Moringa Seed Oil, Cold Pressed Flax Seed Oil, Cold Pressed Cashewnut Oil, Compressed 5000 ml Groundnut Oil, etc. Customers can avail our products under the brand name Thamani that is authentic and safe to use. We make use of wood pressed process to prepare the oil as it locks vitamins, minerals and other essential nutrients. Since 2017, we have been trusted by customers to get the unadulterated, unrefined and purest form of oil. We work with the mission to deliver natural and premium quality oils that is good for health and adds to the flavor of the cuisine. We also test the products in our lab before we dispatch them for delivery.

We are a quality-focused enterprise that is meeting the needs of the customers associated with Compressed 5000 ml Groundnut Oil, Cold Pressed Almond Oil, Cold Pressed Mustard Oil, etc. We take care of hygiene while carrying out the production process of products. We also disinfect our hands and put on gloves, aprons, shoe covers, etc., so that cleanliness can be maintained in the unit. Our company has set new milestones in the industry by consistently delivering unmatched quality products.
