## About Us

By efficiently juggling the multiple business roles of trader, supplier, importer, exporter, and service provider, we, Indiana International Corporation Flooring Private Limited, have proven our business excellence. Today, customers from all over the world rely on us to meet their demands for premium-grade Wood Plastic Composite Flooring, Alptahls SPC Flooring Tiles, Solid Wood Flooring, Terracota Facade, Heterogeneous Vinyl Flooring, and other products. Made from the best raw materials available on the market and extensively tested by our professionals, the products are worth spending money on.

Since 1998, we, Indiana International Corporation Flooring Private Limited, have been flourishing as the most trusted trader, supplier, importer, exporter, and service provider in the industry. As our name suggests, we are engaged in offering reliable flooring solutions to a worldwide customer base. Our product line includes Heterogeneous Vinyl Flooring, Terracota Facade, Solid Wood Flooring, Alptahls SPC Flooring Tiles, Wood Plastic Composite Flooring, and others. Designed to the utmost perfection, our products completely serve their purpose and enhance the look of the surroundings in which they are installed. Each product of ours is longer-serving and resistant to stains and water. We promise our customers that they will never regret connecting with us.
