About Us

Many sectors including the electronic industry, have benefited from innovative and advanced solutions due to the rapidly evolving technologies. As a supplier, trader and wholesaler of the most technically sophisticated electronic solutions, our organization, Reliable Electronics has helped the industry to evolve. We have gained prominence since our incorporation in the year 2018, through our quality-driven solutions such as Common Mode Choke Inductor, Metal Film Leaded Precision Resistor MFR, Multilayer Ceramic Capacitor, Wire Wound Resistor, Carbon Film Leaded Resistor CFR, Electronic Bluetooth Module and numerous others. In addition, we have been introducing all our products at the most competitive prices to ensure more and more customers come to us for getting quality-assured electronic solutions.

Our company, Reliable Electronics has been analyzing the relentless increase in demand for electronic products in the marketplace, and as a result providing our perfectly sourced collections to the customers. We have been supplying customers with a quality-assured range of items such as Electronic Ceramic Capacitor, Circuit Crystal Diode, Electronic Network Resistor, SMD Schottky Diode, Electronic Power Mosfet, EEPROM IC Resistor CFR and many others. We ensure that several quality checks are performed after the procurement process is completed, ensuring that there is no chance of error on our part. In addition, we have our facility located in the city of Dombivli, Maharashtra, India, from where we ship our products to clients as soon as possible.

Key Facts

Nature of Business	Distributor
Primary Competitive Advantages	semiconductor device,semiconductor components,
No of Staff	10
Year of Establishment	2018
OEM Service Provided	No
ProductRange	semiconductor device,semiconductor components,

Our Products

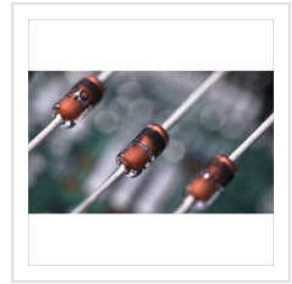

EEPROM IC

Electronic Diode

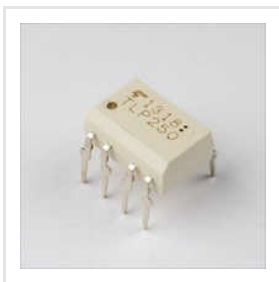

Schottky Diode

Zener Diode

SMD Schottky Diode

Electronic Optocouplers IC

Electronic Bipolar Transistor

Leaded Microcontroller IC

Bridge Rectifier Diode

Circuit Crystal Diode

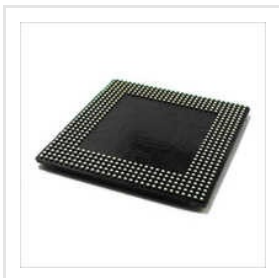

Ultra Fast Recovery Diode

N Channel Mosfet

Leaded TVS Diode

BGA Micro Controller IC

Electronic Memory IC

Integrated Circuit
