## About Us

Welcome to Shri Shyam Chemicals India, where innovation meets tradition in the heart of manufacturing excellence. Established with a vision to deliver top-quality products and services, we are working hard to meet to attain customer satisfaction. Our product line includes Clay Diyas, Metal Powders, Paraffin Oil, Paraffin Wax, Pigment Powders and Pastes, etc. Our mission is to provide superior products that enhance the quality and efficiency of users projects. Apart from being the manufacturer of the mentioned products, we are a service provider for Flooring Service and Resin Flooring Service. We are dedicated to fostering a culture of excellence, innovation, and sustainability. By combining cutting-edge technology with traditional craftsmanship, we ensure that every product meets rigorous quality standards and exceeds customer expectations.

We hold the firm belief that packaging is much more than simply a means of using a product to keep it safe during transportation or storage, it is also about creating a better consumer experience. Our products are also packaged carefully and using quality materials in order to arrive in store in good shape. Even the protective packaging from our sturdy, eco-friendly cartons for our Clay Diyas to our calibrated containers for our metal powders and chemicals we use different material to pack products.
