About Us

Kalpana Minerals Private Ltd, established in 1947 and headquartered in Mumbai, Maharashtra, is a name synonymous with excellence in the mineral manufacturing and supply industry. With a rich legacy spanning over seven decades, we have built a strong foundation of trust, quality, and customer satisfaction. Today, we are recognized as a leading manufacturer, supplier, and trader of premium industrial minerals, catering to a diverse array of industries across India and international markets. Founded shortly after India's independence, Kalpana Minerals began with a vision to provide reliable and superior quality mineral products to support the country's growing industrial needs. Over the years, we have remained steadfast in our commitment to innovation, ethical practices, and client satisfaction. Our longevity

Kalpana Minerals Private Ltd is a reputed manufacturer, supplier, and trader of high-quality industrial minerals. With over 75 years of experience, we have built a strong legacy in delivering reliable mineral solutions to industries across India. Our product range includes Potash Feldspar Powder, Barytes Super Snow White Powder, Quartz Silica Sand, White Kaolin Clay Powder, and Bentonite Powder. These minerals cater to sectors such as ceramics, glass, paints, oil drilling, water treatment, and construction.
