About Us

ASPEC Formulations is a progressive and quality-driven manufacturer and supplier based in Rohtak, Haryana, India, established in 2018. The company has steadily built its reputation in the animal healthcare and veterinary supplement industry by focusing on scientifically developed formulations, consistent product quality, and a strong commitment to supporting livestock health and productivity. With a customer-centric approach and a growing portfolio of specialized products, ASPEC Formulations continues to serve veterinarians, distributors, and animal healthcare professionals across different regions.

We offer BONE-VET Bone Joint Cartilage Supplement, Shining-H Super Strong Liquid Feed Concentrate, Buffcal A Potent Double Power Calcium With Five Phos Alfalfa And Asoeftida Bolus, N-Laps To Check Prolapse Of Vagina And Uterus, etc. From its inception, the organization has aimed to bridge the gap between traditional veterinary care and modern nutritional science. ASPEC Formulations focuses on creating effective, safe, and result-oriented solutions that address common and critical health challenges in livestock. The company operates with the belief that animal health is directly linked to agricultural productivity and rural economic strength, and therefore, each product is designed to contribute meaningfully to animal well-being and performance.
