**DIRECTOR MESSAGE**

We are pleased to introduce ROYAL TECH INDUSTRIES as manufacturer of fasteners & turned Automotive components since 1996. The company is an ISO 9001:2015 Certified in area of 8000 sq. yards. Today, Indian Auto components Industries not only needs professional approach, Quality and cost effectiveness but also need advanced technology to serve new generation machine and vehicle ahead. There exists an enormous challenge of being able to access technology without loosing control of existing operation of the company. The ability to commit investment for the expanding capacity is going to be an important determinant to maintain The national & international

standard, which will surely convince you of our performance. We look forward to your co-operation and a long term business association for your existing and proposed new quote components.

Thanking you

Bharat Bhushan  
(Managing Director)
