

# MIPATEX

DESIGNED FOR ADVANCED FARMING

## HDPE LAY FLAT PIPE

For Water Conveyance

# MIPATEX LAY FLAT PIPE

HDPE lay flat pipe or lapeta pipe is the more economical alternative for water conveyance in remote areas. Lay flat pipe is the most popular irrigation pipe option because they are lightweight and conveniently help the farmer to convey water throughout their farm. Suitable in agricultural activities for water conveyance where the geographical area is rough or uneven.

**HDPE**

**lightweight and flexible**

**Modern Technology**

**UV stabilized**

**Easy to Assemble and Reallocate**

**Useful for uneven surfaces**

**Economical**

**portable**

**multiple uses**

# LAY FLAT PIPE FEATURES, BENEFITS AND DESIGN

**Strong & Durable:** Mipatex HDPE lay flat pipe is strong enough to withstand all weather conditions. It is resistant to all agricultural chemicals. It can be used year-round, on any surface, or in any weather.

**Lightweight and Flexible:** Mipatex HDPE flat lay pipes unique desing make them extremely flexible and lightweight, easy to transport and install in remote farms, uneven surfaces, or other areas.

**Easy to Install:** HDPE woven multilayer lay flat pipes unique woven laminated and heat weld design make it highly flexible and lightweight. It is easy to transport and install in remote farms, uneven surfaces, or other areas.

**Versatile:** HDPE lay flat pipes can be used as a counter-weight over the HDPE geomembrane pond liner to protect flutter during stormy winds.

## TECHNICAL INFORMATION

# HDPE LAY FLAT PIPE

Mipatex HDPE lay flat pipe is strong enough to withstand all weather conditions. It is resistant to all agricultural chemicals. It can be used year-round, on any surface, or in any weather. They are used for the delivery of water in roles such as construction or irrigation, when it is not easy to transport water.

Product Code	Mass	Thickness	Size	Length	Color	Expected Life
MLFP50	260 GSM	300micron	50mm	60m	White	3 Years
MLFP60	260 GSM	300micron	63mm	60m	White	3 Years
MLFP75	260 GSM	300micron	75mm	60m	White/Black	3Years
