About Us

Founded in 1990, Manali Traders has established itself as a reputed and trusted organization engaged as a supplier and trader of a wide range of high-quality chemicals. Our extensive product portfolio includes Industrial Grade Divinylbenzene, Borax Powder Crystal, Boric Acid Pure Granular, Borax Pentahydrate Granular, and many other allied products. All our products are sourced from industry-certified and reliable vendors who possess rich industry knowledge, technical expertise, and years of practical experience. To ensure superior quality, each product undergoes strict quality checks conducted by skilled professionals with deep industry proficiency. Owing to attributes such as high purity, accurate composition, longer shelf life, and competitive pricing, our products are highly appreciated and widely demanded in the market.

Backed by a strong and dependable vendor base, we are able to offer our products in various specifications and forms to meet the diverse requirements of our valued customers. Moreover, our ethical business practices, transparent dealings, and reasonable pricing policies have helped us maintain a distinguished position in the industry. Under the able guidance of our mentor, Mr. Hasmukh Shivji Dharod, we have consistently achieved our organizational goals and sustained steady growth.
