About Us

Established in 1992 and headquartered in Pune, Maharashtra, Indmark Formtech Pvt. Ltd. has built a strong legacy as a trusted manufacturer and supplier of industrial infrastructure components. For over three decades, we have been providing reliable, high-performance products that meet the structural and electrical needs of various industrial sectors. Our commitment to precision, quality, and customer satisfaction defines who we are and what we deliver.

We specialize in manufacturing a wide range of infrastructure essentials, including MS Perforated Cable Tray, Aluminium Cable Raceways, MS Manual Grating, RCC Roof Solar Structure and Gi Strut Channel. Each product is designed to meet the highest industry standards, ensuring excellent load-bearing capacity, corrosion resistance, and long-term functionality. Our product line is suitable for diverse environments such as factories, commercial spaces, power plants, and renewable energy installations.
