About Us

Established in 2018, Veriyog International is a trusted trader, supplier, and service provider based in Surat, Gujarat, India. We are committed to delivering reliable industrial process equipment and engineering solutions that cater to the evolving requirements of various industries. With a strong focus on quality, innovation, and customer satisfaction, we have earned the confidence of clients by offering products that ensure dependable performance, operational efficiency, and long service life. Our extensive product portfolio includes Chemical Dosing Pump, Sludge Dewatering Machine, Agitators Or Mixers, PP Cartridge Filter, Progressive Cavity Screw Pump, Acoustic Enclosure, and many other industrial solutions designed to support smooth and efficient plant operations. Every product is sourced and supplied with strict attention to quality standards, ensuring optimum functionality in demanding industrial environments.

Backed by experienced professionals and a customer oriented approach, we strive to understand individual project requirements and provide suitable solutions within committed timelines. We believe in building long term relationships through transparent business practices, prompt service, and continuous support. Our dedication to excellence, technical knowledge, and ethical values enables us to serve clients across multiple industrial sectors while consistently delivering value driven solutions that contribute to improved productivity, reliability, and sustainable operational performance.

Key Facts

Nature of Business	Trader
Primary Competitive Advantages	high pressure pumps,ozonator,raw water pump,acoustic hoods,sludge dewatering machine,submersible pumps,mbbr media,tube deck media,filter presses,membrane
No of Staff	35
Year of Establishment	2018
OEM Service Provided	No
Memberships	BNI
ProductRange	high pressure pumps,ozonator,raw water pump,acoustic hoods,sludge dewatering machine,submersible pumps,mbbr media,tube deck media,filter presses,membrane

Our Products

**Progressive Cavity
Screw Pump**

**VHYD-02 Hydraulically
Operated Diaphragm**

**VMD-01 Mechanically
Actuated Diaphragm**

**VMD-03 Mechanically
Actuated Diaphragm**

**Horizontal Centrifugal
Pump**

**VHYD-03 Hydraulically
Operated Diaphragm**

**VHYD-04 Hydraulically
Operated Diaphragm**

Mud Pump

Process Pump

Glass Media

Booster System

**VMD-02 Mechanically
Actuated Diaphragm**

**Additive Injection
Package For Jet Fuel**

Air Operated Pump

**VHYD-01 Hydraulically
Operated Diaphragm**

**VPL-03 Plunger Type
Dosing Pump**

ADDRESS

**K-6, Maruti Industrial Estate,
Pandesara, Near Daksheshwar
Mandir, Surat, Gujarat, India
(394220).**
