## About Us

With a strong presence in steel, energy, cement, and ports, JSW Group is an eminent part of the steel industry. With efficiency and innovation in our approaches, JSW Steel Ltd. has emerged as the largest steel plant in India. Fully owned by JSW Steel Ltd., JSW Steel Coated Products Limited (JSWSCPL) operates state-of-the-art production facilities in Vasind, Tarapur, and Kalmeshwar of Maharashtra, India. Our overall capacity of 1.8 MTPA and the ability to produce 0.69 MTPA of color-coated steel makes us the largest manufacturer and exporter of coated steel in India.

In our Kalmeshwar (Maharashtra, India)-based facility, which is strategically situated close to Nagpur, we carry out tasks to cater to consumers throughout the country. We also have manufacturing facilities at the Vasind and Tarapur factories, situated close to important ports. The founding chairman of JSW Steel Ltd., the late Shri O. P. Jindal, whose words, Where others see walls, I see doors, served as inspiration for the mission of our company.
