About Us

Sonai Exports Private Limited Has recently ventured into the agro-food business. We are a promising manufacturer and supplier of Egg Powder, Banana Powder, Protein Powder, Moringa Powder, Jaggery Powder, and Millet Powder. We have stepped in this domain after analyzing the markets and realizing that people look for high quality authentic food products at reasonable rates but they struggle to get it. We pay attention to the quality and process our products under completely hygienic conditions. We have commenced this business after excelling for over 39 years in key sectors like infrastructure, real estate, irrigation, mining, and power.

We work with planned approaches and well-drafted total quality management policy to make available supreme quality food products. In our hygienically maintained setup, from organically grown food products, we process our offerings in the finest powdered form. The appointed quality controllers collaborate with processing experts and supervise the tasks of processing, storage and packing so that no mistake occurs at our premises and we deliver top quality products.
