About Us

Riddham Alloys, established in 2016 in Mumbai, Maharashtra, is a trusted exporter, manufacturer, and supplier of high quality industrial metal products. With over nine years of experience, we have carved a strong reputation for delivering superior grade materials such as Monel Bars, Tube Coupling, Forged Pipe Cross, Alloy Steel Plates, Hastelloy Pipes to clients across India and overseas markets.

Our commitment to quality and customer satisfaction drives every aspect of our operation. We source raw materials from reputed vendors and employ advanced manufacturing techniques to ensure that every product meets stringent industry standards. Our skilled workforce and robust quality control process guarantee precision, durability, and performance of our offerings. We cater to diverse industries including chemical, petrochemical, power, and engineering sectors, providing customized solutions to meet specific project requirements. Our extensive inventory and timely delivery services make us a preferred choice for businesses seeking reliability and consistency.
