

**VFD, PRESSURE TRANSMITTER & SWITCH MODE POWER SUPPLY**

*Never Breaking Your Trust Is Our Speciality*

230 V Sequence Timer Controller, 240 VAC Hot Runner Controller, ASDA-A2 Servo Drive and Motor, ASDA-A3 Servo Drive and Motor, ASDA-B2 Servo Drive And Motor, Advanced Slim MPU, Automation Panel, C200 VFD, CP2000 VFD, Capacitive Proximity Sensor, Crompton Drive Emotron VS series, Crompton VFD Emotron VSM, Crompton VFD Emotron VSX, DOP-103BQ Delta HMI, DOP-107CV Delta HMI, etc.

**HOT RUNNER CONTROLLER**

**MOLD TEMPERATURE CONTROLLER 240 VAC HOT RUNNER CONTROLLER**

## About Us

From manufacturing, storage to handling, every process is precisely carried out at Analyte Controls to run our electrical equipment production business with great safety. Delta, Pepperl & Fuchs, Gefran, Lam Technologies and Analyte Controls are the brands under which we offer our wide gamut of electrical products. Hot Runner Controller, Vision Inspection Systems, Automation Panel, Sequence Timer Controller and Thyristor Power Controller are to name a few. We use cutting-edge technologies and creative production methods to provide a comprehensive array. Hence, we are always considered the best at everything we do, be it offering aforesaid products or rendering Repairing and Maintenance Services. By training our employees well to handle all the services carefully, we are seen as a reliable service provider. And, with the assistance of our other employees, we leave no stone unturned in delivering the best of everything to our clients that they desire.

The main goal of our company is to provide our customers with the best selection of electrical products at highly competitive prices. Therefore, quality management has always been our top priority and the most important goal. For this reason, we have a group of quality analysts ensuring impressive fabrications while maintaining superior quality standards. With their expertise and knowledge in this area, they always bring forth Automation Panel, Hot Runner Controller and more, of unmatched quality.
