FOUNDER'S Statement

We have been providing breaker services since 2005 and have been supplying spare parts since 2012. Our expertise includes the repair, servicing, testing, and supply of spares for all types of ACB, VCB, OCB, and SF6 breakers. We are committed to supplying high- quality materials to our valued customers and would be honored to serve you as a reliable supplier, ensuring your complete satisfaction. We kindly request the opportunity to provide you with our best services. We believe that only after successfully completing your development order to your utmost satisfaction will we truly be eligible to continue as your regular supplier. Should you require any further information, please feel free to reach out to us. We look forward to your favorable consideration and assure you of our best services and cooperation at all times. Do not hesitate to call us for any breakdowns or assistance.

Thank you!
