About Us

With over 10 years of industry experience, our company, Patwari Forge, has established itself among the preeminent ones in the market. Well-known as a dependable manufacturer and supplier of an exclusive range of Forged Round Bars, Forged Flat Bars, Forged Square Bars, Forged Pinions, etc., our company has been a popular choice of customers for a long time now. Customers admire our products for their long-lasting nature, resistance to corrosion, precise design, and robust construction. All the aforesaid qualities make our products unique. It is the efforts of our team of professionals that have enabled us to develop a world-class range of products. From the procurement of the raw materials to the production, packaging, and dispatch of the products, each and every activity at our unit is carefully handled by them, ensuring remarkable results. We credit their sincere efforts for making our organization stand out in the industry.

Our Howrah (West Bengal, India)-based company, Patwari Forge, manufactures and supplies an extensive range of sturdy Forged Pinions, Forged Square Bars, Forged Flat Bars, Forged Round Bars, and other products. We are well-known for offering a high-quality product range at competitive prices. Each of our products is made in adherence to international quality norms using the finest raw materials. Our team of talented professionals supervises the entire production process and ensures its timely execution without compromising the product quality. This helps us cut additional costs and present our products at a reasonably good price. Thus, we effortlessly cater to a wider audience spread across the entire country. Within a span of a decade, we have become the most suitable option for customers.
