About Us

We, Manvi Engineers, are a skillful manufacturer and wholesaler/distributor of the marketplace. Famously, we deal in a huge variety of HVAC products, filters, etc. Under the brand name 'Cool Air', our company offers the best designs of Evaporative Cooling Pads, Cabinet Inline Fans, Wire Mesh Filters, Air Exhaust Units, etc. to customers. These are manufactured under the supervision of experts using the best parts and components. Our company's mentor Mr. Manoj Kumar Sharma, is constantly motivating us to employ best production machines and techniques so that we can present our clients with best items.

On the very first day of our business operation, we took an oath to never disappoint our clients. We started our business journey on a positive note, aiming to provide maximum gratification to clients at all times. This client-centric dealing went of our company has been applauded by many experts of the domain. They bestow their trust on our enterprise owing to the same. Along with performing in a client-centric manner, we also pledge to render top-class customer support in the marketplace. Each customer service that we offer is executed without any mistakes.
