About Us

Inno Color & Compounds Pvt. Ltd. is known to be a reliable manufacturer and supplier of polymers, including Yellow colour Masterbatch, Orange Masterbatch, Colour Masterbatch, LDPE Polythene Sheet, INNO HDPE Sheet, and more. We carefully consider the needs of our clients and apply our knowledge, creativity, and research to meet them at a reasonable price. We use innovation and long-term solutions to create value for them. Being an ISO-9001:2015 certified company, our company has a well-stocked quality lab. Every production batch is meticulously examined for a number of factors prior to being approved for shipment. Our goal is complete client satisfaction.

Inno Color & Compounds Pvt. Ltd. was founded in 2001, in Greater Noida, Uttar Pradesh, India. In accordance with particular specifications, we manufacture, supply and offer customized master batches and polymer compounds. This includes LDPE Polythene Sheet, INNO HDPE Sheet, Abs Plastic Sheets, LDPE Sheet, Red Color Masterbatches, and more.
