PUMP TEST RIG

About Us

We, J K Automation have cemented ourselves with a viable array of Cluster Assembly Line, Automatic Clutch Assembly Line, Industrial Assembly Line, Brake And Clutch Pedal Assembly Line, Roof Hatch Assembly Line, Dynamic Seal Test Rig, and similar other products. We are an acknowledged firm as a manufacturer, supplier, and machine tool designer of these impeccable products that suit the requirements of commercial users in the industry. Our driven unit has been sincerely catering to customers such as Defence, Automotive, ISRO, Railways, and others.

We are untiringly working for betterment by serving customers with products that suit their industrial needs. Our manufacturer based company makes sure precisely engineered goods are exactly in accordance with the requirements of esteemed customers. We assure them that we can satisfy their requirements for these items in several capacities, sizes, and designs to suit the needs of business customers. We have embraced best-grade devices and machinery so as to meet the requirements of clients for strength, design, and functionality. These fine-grade products are noticed for their attributes in markets such as rigidity, corrosion resistance, feasibility, low power usage, and strength.

Key Facts

No of Staff	3
Year of Establishment	2006
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	1000
Memberships	Yes

Our Products

Compression Moulding Press

Dynamic Seal Test Rig

Industrial Leak Testing Machines

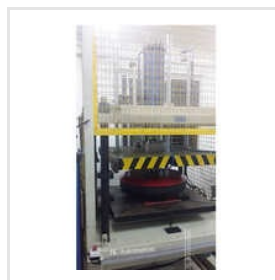

Dynamic Seal Test Rig

Industrial Assembly Line

Roof Hatch Assembly Line

Air Spring Validation Test Rig

Shock Absorber Bush Pressing SPM Machine

Automotive Bellow Endurance Test Rig

Valve Gate Id Checking Test Rig

Wire Net Test Rig

Brake And Clutch Pedal Assembly Line

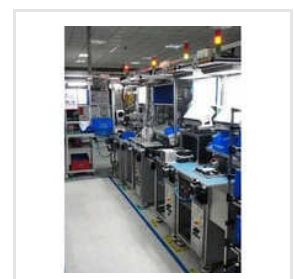

Precision Micro Pins And Screw Assembly

Air Spring Leaks Test Rig

Automatic Clutch Assembly Line

Cluster Assembly Line
