About Us

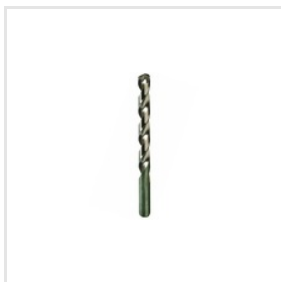

Founded in 1969, Shree Manjunath has evolved from modest beginnings into a renowned "One-Stop Engineering Shop" for a wide array of precision tooling solutions. Initially established as authorized dealers and representatives for local tool manufacturers and small tool rooms, we have grown to become a trusted name in the engineering and machine tool industry. With over five decades of dedicated service, Shree Manjunath is now a preferred partner for leading industrial players, known for delivering high-performance tooling equipment backed by technical expertise and a customer-first approach. We are a prime manufacturer, supplier and trader of Manual Torque Multipliers, Tapping & Threading Tools, Industrial Collets, High Power Cylindrical Cutters, Inserts & Indexable Cutters, Hand Tools, etc.

Shree Manjunath Engineering Precision Tools Pvt. Ltd. is a trusted manufacturer, trader, and supplier of a comprehensive range of high-performance, high-speed steel tools, carbide tools, industrial accessories, and welding consumables. Our product portfolio includes:
