## About Us

India is the land of flavors. We demand flavors in everything that we consume. With changing time, taste of people has also been evolving. Keeping this aspect in view, we, Shri Zelco Foods Pvt. Ltd., came into existence to offer our customers a delectable assortment of Lemon Flavor With Vitamin C Glucose Powder. Since the time of our establishment, we have been aiming to bring smiles to our customers' faces by offering them only the best quality and flavorful assortment. By using state-of-the-art technology and up-to-the-minute machines, we have been able to process and bring forth mouth-watering Regular Vitamin D Glucose Powder. This is the evidence of us being a reliable manufacturer of aforesaid assortment. The products we offer are highly demanded in the market because of the lasting impression it leaves on the customers. Our company is also working as a Third Party Manufacturer for other individuals or companies.

## State-of-the-art Technology

Technology has been a boon to mankind. Food industry is no different. The effects of technology can be seen in this arena, as well. By using up-to-the-minute machines, we aim for enhancing processing and packaging of our food products; which eventually helps us in improving the safety and shelf life of our Regular Vitamin D Glucose Powder.

## Superior Quality

Quality has been the first factor that we take into account when it comes to achieving maximum client satisfaction because we believe in the fact that quality serves as the founding pillar of a company and can make or break it. By carefully following our quality procedures, we ensure that our Orange Flavor With Vitamin C Glucose Powder stands up to the safety, hygiene and taste standards as defined by the industry. For this reason; we are supported by Ministry of Food Preserving Industries and have also been accredited with FSSAI certification.
