

# Compressed Air Cartridge Gun

**Ergonomic design**  
**Rotational speed control for precise material flow**  
**Suitable for 310 ml cartridges and 600 ml tubular bags**

The WEICON Compressed Air Cartridge Gun is perfectly suited for materials with low to high viscosity in cartridges or tubular bags. It facilitates the application of the adhesive for regular use. A quick lock for the compressed air line is included.

A conversion kit for simple switching between cartridge and tubular bag is included. The Compressed Air Cartridge Gun has an optimised noise level of less than 70dB.

**Technical Data**

Cartridge or tubular bag volume	310 ml / 600 ml
Maximum pneumatic pressure	6.8 bar
Shaft length	464 mm
Maximum thrust	1,5 kN
Compressor requirements	150 L / min

**Cartridge Type**

**Tubular Bag Type**

**Compressor**

We recommend a power of approx. 150L/min with a collection tank of at least 10L

**Quick lock included**

**Note**  
 The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
