About Us

K.M.T INDUSTRIES is an ISO 9001:2015 certified Manufacturer, Exporter, Supplier and Trading Company. Started in the year 1996, we are located in Haryana. We are a part of Tyre market since long and engaged in synthesizing the Machines for Retreading of Tyres and also deal in production of molds, dies for hot retreading. We design our own Automation Equipments for cold retreading.

Tyre Retreading Machine, Tyre Repairing Machine, Buffer, Rims, Spreader, Mobile Tyre Lift, Mini Rasper and many more are the different parts of our production. We believe in efficiency of our equipments and functional operations. Our company is known for quality and environmentally friendly products. It is true, we need to retread the tyres because When the tread is worn off, only 20% of the it is used and around 80% of its value still remains, which can be utilize as a new. Retreading is beneficial in their performance and utilize as new life.

We ensure you regarding the durability, quality and best services. We have advance technologies and modern facilities for manufacturing and testing. We have attained complete satisfaction of our existing clients for our services. Our team works with full efforts and dedication, to meet the expectations of the customers. We guarantee you outstanding products and reasonable cost.
