## About Us

Our ISO certified enterprise is famed across the nation for being a consistently loyal partner to our customers. In past, we have always made sure that our clients face no issues while trading with us as their satisfaction with our company is exactly what we aim for. It is our responsibility to deliver them with top quality General Purpose Lubricants and Special Purpose / High Temperature Lubricants such as High Temperature Grease, Heavy Duty Lubricants, Anti-corrosion Oils / Rust Preventive Oils, Food Grade Greases, Bird Repellent Gel, Rust Preventives, Maintenance Aerosols, etc. These are appreciated for high quality, impurities free formulation and fine consistency. Our company offers this range with pride to clients in exchange of highly affordable prices. Owing to this, we have become an acclaimed manufacturer and exporter in the marketplace.

Our focus on quality and top class quality management system has made us capable of bringing forth the best offerings to our clients. Owing to the same, we have been honored with the respected ISO 9001:2015 certification that was issued to us on 3rd March, 2018 and will be valid up to 2nd March, 2018.

Approximately, we, Equifit Technoart. export 40% of our total stock to our international clients. Owing to this, we have managed to meet the diverse requirements of our huge clientele. Over the years, we have strengthened our position in numerous foreign countries owing to our consistent focus on providing the best to each and every client of our company. Some of the foreign market where we considered the number one are UAE, Saudi Arabia, Kuwait, Kenya, etc.
