About Us

Shaikh Petroleum was established in 1983 under the dynamic leadership of Late Mr. Gulam Mahyuddin Shaikh, also known as “Shaikh Bhai”. We are one of the reliable names in the Oil & Petroleum Market (Gujarat). We deal in Light Diesel Oil (L.D.O), Furnace Oil C9, C10, Fuel Oil, LLP and MTO in Gujarat region. We are dedicated to providing the superlative value to our customers through the highest level of quality & service. We work hard every day to exceed/meet customers' requirement.

We are in the 21th century and in this age of industrial development, we very well know the importance of Oils and Petrol. As these liquids helps in the functioning of machines, vehicles, generators and many more products, to contribute to this Oils and Petroleums industry, we, **Shaikh Petroleum**, started running our business activities. As an **ISO 9001:2008** certified manufacturer, we have retained our position at the top throughout a couple of decades by offering the best quality of liquids to the markets that has satisfied our customers. The offered products are **Light Diesel Oil, Aromatic Solvent - C10, Furnace Fuel Oil, Aromatic Solvent - C9 A** and many more.

Our Infrastructure

In our well spanned infrastructure we have set up several departments such as production, quality, warehousing, accounting. to name a few. We have situated our premise in Gujarat Industrial Development Corporation Estate that is a prime location of Ankleshwar (Gujarat, India). The capacious warehouse is full fledged with machines and have good ventilation. The production department of our facility is full fledged with highly trained and experienced personnel who work with complete diligence and professionalism. Each of our department is highly motivated and functions in a coordinated manner that leads to achieving the respective goals with ease and prior to the deadlines.
