

SHIV TRANSFORMER AND ELECTRICALS

M.D. INDUSTRIES

3 Phase Distribution Transformer, Dry Type Transformer, Electrical Control Panel, Indoor Transformer, Power Transformer, Servo Voltage Stabilizer, Vacuum Circuit Breaker Board, etc.

ELECTRICAL CONTROL PANEL

INDOOR TRANSFORMER

DRY TYPE TRANSFORMER

About Us

Famous across India for our power distribution solutions, we, Maa Durga Industries, have successfully won over the hearts of many customers. Our product line includes Electrical Control Panel, Servo Voltage Stabilizer, Dry Type Transformer, 3 Phase Distribution Transformer, etc. All these creations are preferred as they supply 11/.433 kV, 33/.433kV and 22/.433kV class voltage. Our offerings are highly used in various private industrial sectors as well as public utilities firms. Our company has installed facility to produce oil filled power as well as distribution transformers of 2000kVA. Owing to our smart infrastructure, we have been able to manufacture high in class items in large quantity. Customers also trust us for availing A grade customized solutions that meet their exact needs. We are supported by highly diligent and experienced workers who efficiently manage different operations like manufacturing, assembling, testing and warehousing. Because of the efforts of our employees, we have achieved enormous success in this vertical. They have made us acquire the top most position in the Indian market. Moreover, because of their perfection-focused approach, we have become the first choice of customers as a power distribution solutions manufacturer and supplier. Along with creating and supplying high quality products, our team also offers Annual Maintenance Contract, which is why we are counted among the best service providers.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	power distribution transformers,distribution transformers,acb distribution panel,vcb panel,electronic transformers,electrical wire,marshelling box,instrument calibration services,electrical panels,Servo Voltage Stablizer
No of Staff	12
Year of Establishment	2020
No of Production Lines	1
OEM Service Provided	No
Monthly Production Capacity	20-25 transformer
Memberships	ISO 9001:2015, ISO/IEC 17025:2017
ProductRange	power distribution transformers,distribution transformers,acb distribution panel,vcb panel,electronic transformers,electrical wire,marshelling box,instrument calibration services,electrical panels,Servo Voltage Stablizer

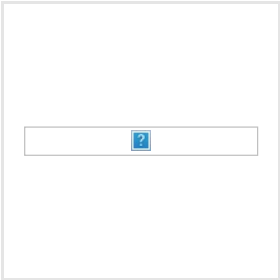

Our Products

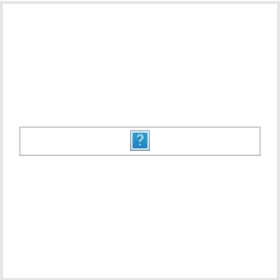

Indoor Transformer

Electrical Control Panel

Dry Type Transformer

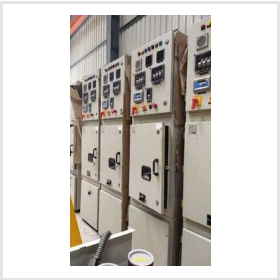

Servo Voltage Stabilizer

Power Transformer

3 Phase Distribution Transformer

Vacuum Circuit Breaker Board

ADDRESS

**Plot No. – 225B, Industrial Area
Phase-2, Panchkula, Haryana,
India (134109).**
