SHELL AND TUBE CONDENSER

About Us

A. S. Engineers is a competent manufacturer and wholesaler of Dry Rendering Plant, Chicken Rendering Plant, (Pre-Breaker, Batch Cooker, Screw Press, Hammer Mill, Screw Conveyor, Bins, Shell & Tube Condenser, Bio-Filter ETC.) . Each one of which is supplied at highly competitive prices. Apart from the price structure, it is the quality, reliability and efficient performance of our machines that make these high on demand. To be the best in the domain, we never give up due to the hard challenges. However, we love facing challenges and learn new tactics to overcome those and come forward as an improved business entity. And, we feel immensely proud to say that our hard work and strong determination are the reasons that we are recognized as a reputed company in this highly competitive business line. We have been loved by our customers because of many more reasons.

Continuous improvement and innovation are the two founding pillars of our Ghaziabad, Uttar Pradesh, India established company, A. S. Engineers, based upon which we have made a name to rely upon. To be the best in the domain, we always encourage feedback and suggestions from our customers; as this makes us improve ourselves in the areas we lack, if any. To cater to the ever changing requirements of our customers, we have set up a flexible production system with which we can easily change the production process and produce our Chicken Rendering Equipment, MS Raw Material Bin, etc., as per the specifications of our customers.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	slaughterhouse equipment,slaughterhouse machinery,chicken slaughter equipment,Slaughter House Machinery,frp cooling tower,industrial separator,industrial condenser,Chicken Scalding Tank,industrial screw conveyor,industrial conveyors
No of Staff	22
Year of Establishment	2017
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	50 Lakh
Memberships	MSME, INDIAMART, TRADE INDIA
ProductRange	slaughterhouse equipment,slaughterhouse machinery,chicken slaughter equipment,Slaughter House Machinery,frp cooling tower,industrial separator,industrial condenser,Chicken Scalding Tank,industrial screw conveyor,industrial conveyors

Our Products

Insulated Tank

Diesel Fuel Tank

Stainless Steel Storage Tank

Diesel Fuel Tanks

Batch Cooker

Scrubber Tanks

Solid Separator Machine

MS Raw Material Bin

Chemical Storage Tank

Vertical Storage Tank

Chicken Waste Rendering Plant

Automatic Screw Press

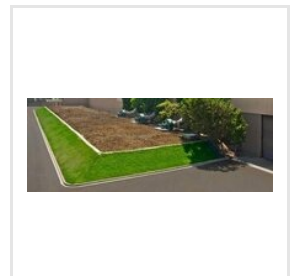

Horizontal Tanks

SS Storage Tank

MS Tallow Storage Tank

Biofilter Plant
